WHAT IF YOUR HEALTH WAS YOUR TRUE WEALTH?

The secret of how to live a longer, healthier and fuller life is a mystery to many. But not to us. For 90 years, those in search of a profound change in their health and wellbeing have been coming to Clinique La Prairie to experience the pioneering fusion of science and holistic wellness, combined with luxury Swiss hospitality.

Contributing to boosting the immune system, restoring vitality and combatting the effects of aging, the Revitalisation program combines cutting-edge medicine and technology with unique well-being and nutrition plans to revitalize every part of the body.

Unlock the Secret of Living: Discover Revitalisation and our range of Longevity, Wellness and Medical Programs.

A window on the world at Six Senses Bhutan

Chiva-Som, Thailand

Following an extensive £15 million renovation, Chiva-Som, the grande dame of luxury wellness retreats, is on the money. Design guru Ed Tuttle has used acres of teak and bamboo and reams of mind-cleansing muted fabrics. The once somewhat clinical Niranlada Medi-Spa is now a crisp, calming haven for aesthetic beauty. Battalions of top-notch therapists, drawing on Eastern philosophies and Western principles, address all ailments and health concerns. The 13 programmes range from cell vitality to sustainable weight management, and are complemented by over 200 treatments. Central to the Chiva-Som experience is the wizardry of the chefs - good nutrition has never tasted better. Healing Holidays offers a five-night stay from £1,899 per person, based on two people sharing, including flights, transfers, accommodation in an Ocean Room, full board, daily fitness activities, daily massages and cash credit to spend for extra treatments. healingholidays.com

Clinique La Prairie, Switzerland

Clinique La Prairie's reputation precedes it. A fascinating mix of royalty, popes and half of Hollywood's elite have flocked to this clinic overlooking Lake Geneva, in hot pursuit of its legendary secret sheep-cell serums. These 'Revitalisation' infusions still exist, but now the real draw is the pristine white medi-spa where everything happens under one roof: DNA testing, detox programmes, Ayurvedic therapies and lymphatic draining. The you-need-to-see-it-to-believe-it results are achieved through a mix of traditional medicine and holistic therapies, performed by 50 highly trained specialists. This clinic's clout shows no signs of waning. Rates for beauty programmes from £4,800 for three nights, including accommodation and full board. Medical programmes from £10,500 for three nights, including accommodation and full board. cliniquelaprairie.com

Anantara Kihavah Maldives Villas

Located in the northern Baa Atoll in a UNESCO Biosphere Reserve, the five-star Anantara Kihavah is a place of unfettered beauty. The 80 thatched-roof villas either face a pristine white beach ringed by coconut, papaya and mango trees or are set directly over the turquoise sea. With an underwater wine cellar and a medical spa – both firsts for the Maldives – this is a resort with no limits. There are six overwater spa treatment suites where guests can opt for IV vitamin infusions (great for jet lag), VelaShape fat-blasting or the Naked Skin Package (a complexionaltering mix of Diamond Microdermabrasion, Dermastamp, PR P Cell Rejuvenation and LED red-light therapy). Rates from £7,183 for six nights on a half-board basis and including three experiences. kihavah-maldives.anantara.com
